

Port City Air

Port City Air is growing and we'd love to have you join our team!

No experience necessary for most positions as we will train the right candidates!

Port City Air: PCA provides a variety of ground services on the airport such as maintenance, cleaning, fueling/deicing aircrafts and much more...

Portsmouth International Airport: PCA staffs the air terminal on Pease with baggage handlers and Customer Service. We also have the Airside Café which serves food and beverage to passengers while they wait for their flights.

Great Circle Catering: A subsidiary of PCA and the Seacoast area's premier full-service caterer for personal or corporate events. GCC has many off-site locations as well which include mobile food trucks, the Southend Yacht Club, the Airside Café and What-A-Crock.

As our companies continue to grow, we have several full and part-time positions in both the aviation and catering industries. Positions include:

- Accounting
- Customer Service
- Line Service (Refueling, de-icing, towing, etc)
- Charter Service (Cleaning & restocking aircrafts)

- Ramp Agent (Baggage handling)
- Aircraft Mechanics
- Culinary Staff
